## Jackson Gulch Reservoir

### POOL AGREEMENT

**Pool Name:** \_\_\_\_\_ **Ditch:** \_\_\_\_\_

A pool shall be considered in those situations where two or more Owners agree to have their water run consecutively at a certain rate so that the total will run for a predetermined number of days or until the pool of water is exhausted.

The undersigned agree to the following conditions:

1. That they have been allotted the amount of Jackson Gulch project water indicated below.
- 2. That they give consent to the Agent specified below and only that Agent to order specified water.**
3. That delivery by the Mancos Water Conservancy District shall be in compliance with the By-laws, and such operating procedures as have been adopted by the Mancos Water Conservancy District.
4. That delivery of water from the point of the headgate on the canal, ditch, or stream shall be subject to the agreement between the water right-of-use owners.
5. That this agreement shall be considered void when an Agent other than that person indicated below orders specified water.
6. That an individual right of use owner can withdraw only before an irrigation season begins, and that if ownership changes during the season, that this agreement remains in effect until the end of that season. Withdrawal from the pool agreement by an owner can be attained by written notice to the Mancos Water Conservancy District, with a copy to the Agent, subject to the conditions herein.
